DELIVERY PROGRAMME

Jonathan Charles Fine Furniture has numerous Collections of furniture within a growing range of over 4000 items. From time to time unforeseen demand for some products may mean that they are temporarily unavailable so a three-tier priority delivery programme has been implemented in order to better monitor and manage inventory. The aim of this tier programme is to inform customers and fulfil their expectations by delivering furniture to them in the shortest possible time.

A gold square icon containing the white letters 'QS' in a serif font.

The Quick Ship programme includes 32 items from various Collections that we commit to holding in stock and delivering within one to eight weeks. For our current range of Quick Ship items please refer to this catalogue or go to www.jonathancharles.com and 'Search by availability' and then click on 'Quick Ship'.

STANDARD ITEMS

A dark brown square icon containing the white letters 'ST' in a serif font.

Included in the Jonathan Charles Standard items programme are approximately 2644 products that we endeavour to keep in stock, but which we are unable to guarantee will be in our inventory at the time of ordering. Should an item not be in stock, we aim to have the piece available within 12 weeks from the time of order.

SPECIAL ORDER ITEMS

A dark red square icon containing the white letters 'SP' in a serif font.

Jonathan believes that 'great style should never be discontinued'. As we don't know what our customers might request from us in the future, all Jonathan Charles Furniture designs, past and present, are available "made to order". Should our customers require something that we do not currently have in stock, we ask them to contact our Customer Service Department who will then provide an estimated time frame for producing and delivering the chosen item(s). The customer can then make an informed decision on how to proceed with the order.

LUXE COLLECTION

Jonathan Charles captures the heyday of the 20's – 40's, translating their underlying influences to the Luxe Collection.

Strong silhouettes and graphic linearity are mixed with antique beauty for the modern day interiors...

KNIGHTSBRIDGE COLLECTION

The Knightsbridge Collection is an homage to the late Empire and Biedermeier period of the early 19th century. The clean lines and functionality of the furniture belies its intrinsic sophistication, while its simplicity gives it immense contemporary appeal.

CUSTOMER'S OWN MATERIAL (C.O.M.)

Our Upholstery Department accepts C.O.M. for most dining chairs, occasional chairs, stools and benches.

In most cases, one square yard/metre of fabric is required to upholster the seat of each dining chair, although exact requirements will depend on the fabric width and pattern repeat. For certain items or in cases of unusual or difficult fabric patterns additional material may be required.

Any special cutting requirements must be requested in writing and a full-width fabric repeat sent to the Customer Service Department in order for a quotation to be provided. The customer is responsible for shipping C.O.M. to our Upholstery Department.

IMPROVEMENTS

Jonathan Charles Furniture operates a policy of constant improvement and therefore reserves the right to make changes to any item without notice.

APPEARANCE

Jonathan Charles' masterpieces are manufactured to the highest standards. The unique nature of wood and the other materials that are used in production means that no two pieces of furniture will be exactly alike. Jonathan Charles Furniture makes every effort to ensure that each item is produced to our exacting standards, but cannot be held responsible for slight variations in finish, colour and general appearance.

TAKING CARE OF YOUR FINE FURNITURE

WOOD

Every piece of wood is unique, which means that every piece of wood furniture is unique.

As a result you may notice a slight variation in the finish sheen of some items. This is natural and adds to the uniqueness and authenticity of each piece. For day-to-day cleaning, a soft, dry cloth will suffice to remove dust and restore the sheen of your furniture. Additionally we recommend an occasional application of pure bees wax to help retain the character of the wood. Simply apply the wax to the surface, allow some time for it to harden and then rub away the excess with a soft, dry cloth.

BRASS

Our custom-crafted brass hardware is the finishing touch, the crowning jewels, of a Jonathan Charles piece. To keep the brass details of your item looking their best, we suggest using a lightly-damp or dry cloth to gently wipe over the surface, taking care to allow a bit of the residue and imperfections to remain to maintain its aged, used appearance.

LEATHER

We use genuine untreated cow leather, which we process and colour at our factory to give it an aged, authentic look. As the leather gets older and is used more it will begin to take on more characteristics of an actual aged leather piece, adding even more to the genuine feeling of the item. We recommend using a damp (not too wet!) cloth to clean the leather, followed by a dry cloth to remove any excess moisture. It's as simple as that to keep your piece clean, while maintaining the beautiful antique look.

ÉGLOMISÉ

Églomisé is a traditional technique of decorative glass painting dating back to Egyptian times. It is a very delicate, elaborate and imperfect craft, which gives each piece its own distinct character. The exposed part of the Églomisé is all glass and is safe to clean with regular household glass cleaner.
